## Aims and scope

**Bulletin of the University of Agricultural Sciences and Veterinary Medicine Cluj-Napoca Agriculture** is a biannual Open Access peer-reviewed journal. It is dedicated at disseminating significant research and original papers (Research Articles), critical reviews (Review Articles) and Short Communications after a rigorous review process in the broad areas of Agriculture that can serve the interest of a wide audience of scientists and professionals. The submitted papers should bring a significant contribution to the advancement of knowledge or toward a better understanding of existing agriculture, grassland and forage crop, plant genetics and breeding, soil sciences, agro- techniques, agricultural machineries, phytopathology, entomology, environmental protection, and sustainable development. The distribution of the material is encouraged with the condition that the authors and the source (abbreviated title **Bulletin UASVM Agriculture**) will be mentioned.
