Aims and scope

Bulletin of the University of Agricultural Sciences and Veterinary Medicine Cluj-Napoca Horticulture is a biannual Open Access peer-reviewed journal. It is dedicated at disseminating significant research and original papers (Research Articles), critical reviews (Review Articles) and Short Communications after a rigorous review process in the broad areas of Horticulture and Forestry, Economics and Rural Development, Land Measurement, Natural and Human Sciences that can serve the interest of a wide audience of scientists and professionals. The submitted papers should bring a significant contribution to the advancement of knowledge or toward a better understanding of existing horticulture, forestry, agribusiness and land measurement concepts. The distribution of the material is encouraged with the condition that the authors and the source (abbreviated title **Bulletin UASVM Horticulture**) will be mentioned.

Instructions for authors are available at:
